

Speaking Testimonials for Christopher DiCenso

"Thank you for the excellent overview today. I was impressed with your ability to quickly take questions from the audience and turn them into teaching opportunities, or as you call it "Business Preaching."

David McGraw, President, McGraw Consulting Group LLC

"Chris, thanks for making the SunTrust Committed to Growth Series a great success! With comments like 'awesome' and 'excellent' from the attendees, your interactive, educational and engaging session was right on and your high evaluation scores prove it. You're a great speaker!"

Scott Inman, Partner, Profitable Channels, SunTrust marketing agent

"It was a good event. Chris was great and the topic and subject matter received very good reviews!"

John H. Ley, Group Vice President, SunTrust Bank

"Chris' presentation on developing successful growth strategies was right on the money and enjoyable to hear! As a CEO of a growing company, this will really help us with the growth of our business."

Robert Miller, President and CEO, Diaphorm Technologies, LLC

"Great presentation! The members really appreciated the relevancy to what is happening today and your knowledge of developing growth strategies."

Len Rishkofski, President, Senior Executive Network Group

"I thoroughly enjoyed your presentation and then having the opportunity to speak with you after the seminar. Your overall candid approach regarding the recruitment and retention of talent is spot on. From my perspective it was time very well spent."

Don Hughes, President, Hughes and Company

"I have learned more in the past two days with you than in the past ten years running by business."

Marlaine McCauley, President, Apex Facility Resources

"The content was thorough and extensive, and the tools that Chris suggested or provided were excellent and useful. Our members left with some meaningful "take aways" to improve their business growth. The peer to peer exchange with executive teams from high growth companies regarding growth challenges and approach to strategic planning was invaluable."

Terry Cox, President and CEO, Business Innovation and Growth Council
